As you may well imagine, a great deal of effort is poured into running a successful Children's Program. Each of the teachers donate their time and energy because they want to see all our children grow in faith, love and character (Can you help as a Teacher or Nursery Volunteer?). If you have any specific interests or talents, please take time to share them with us and with our kids! It truly takes a lot of **TEAM WORK** and there is no limit to the number of players we can put on the field! Don't be bashful!
