Christmas Sharing

The Christmas season is approaching
quickly and once again the
congregation of St. Thomas' will be
participating in the Christmas Sharing
program, delivering food and presents
for children to 45 families the week
before Christmas.

As in recent years monetary donations
from the congregation have been used
to purchase items on sale and in bulk
to allow us to get the best value for our
money.

A new team of church members have
been working behind the scenes
planning and making purchases for
the upcoming Christmas. Lynn Chipps,
Ross Lawrenson, Anne Clark and Kathy
Wight have assumed the role that
Linda and Carl Matchim filled so
wonderfully for many years.

We ask that you consider making a
donation to the best of your ability
soon. As you are probably aware, food
costs have risen substantially.

Further information asking for help to
pack boxes and deliver them to
families is to come soon.
