4. World Refugee Day – June 20, 2026

St. Thomas' Church encourages members of our congregation to visit the [Week of Action – We're Better Together](#) website. There is information and resources available there from the Canadian Council for Refugees on the important work of protecting refugee rights. Let's show that as Canadians we take care of each other, and that we are proud to stand with refugees as neighbours and as friends. You can also sign an online letter to our PM and MPs that shows you care about the recent changes to refugee protection in Canada.

5. Father's Day Guest Speaker – Sunday, June 21

Palmer Stevens, from the Belleville Pregnancy & Family Care Centre, will be our guest speaker, discussing the men's programmes at the Centre.

Please bring in the baby bottles that were distributed on Mother's Day — Palmer will take them to the Centre.

6. CVNQuinte “Services with a Twist” Campaign

Community Visions & Networking Quinte are once again offering CVNQuinte Adventures, which provides relief for families through safe, well-organized themed retreats. If you can help by donating to this campaign, please check the bulletin board for more information.

7. St. Thomas' Christmas Market – Saturday, November 21

As summer approaches, a little reminder about the Christmas Market! Many Market items are donated by parishioners, either created or new.

Summer is a great time to relax and possibly craft, stitch, knit, etc. Gift baskets — big or small — can be created with items chosen by the creator. Sold at the Market, they make wonderful gifts to give. Ideas for baskets could include:

- For a cold winter night: coffee, hot chocolate, and mugs
- For a crafty child: markers, paints, paper, and small craft kits
- For a manicure lover: creams, nail polish and remover, and a buffer
- For a snow day: games, magazines, snacks, hot chocolate, and marshmallows
- ...the ideas are endless...

If, in your downsizing or decluttering, you come across jewellery to dispose of — old or new, broken or missing pieces — please consider donating it to the Jewellery table. Jewellery is sorted, with the majority sold at the Market. Some will be sold to a jewellery maker or locally for the metal content, e.g., gold.
